

Roll-Off Service

ATTENTION!

Please look over the following sanitation schedule flyer carefully because there are some changes!
Your household garbage pick-up days have not changed but, be aware that the time your residence is picked up may change.

Also, note that recyclables, paper and yard waste days have changed!

We appreciate your patience during this transition and opportunity to service your community again!

**RULES AND
REGULATIONS FOR GARBAGE AND
RUBBISH COLLECTION**

I. General Regulations

1. Garbage - Waste generated from the normal day to day operation of the household and kitchen. This includes all food waste, fish, meats and vegetables, paper packages, etc.

Garbage is collected three times a week. Collections will be made on Monday, Wednesday and Friday in one part of the district and Tuesday, Thursday and Saturday in the other part of the district. See map to determine your day.

Garbage shall be stored in closed leakproof metal or plastic cans at the rear of side location outside the premises. No collections will be made inside the house or garage. During periods of snow, the resident is required to provide a clear path to the location only. A maximum of (3), thirty-two (32) gallon cans or the equivalent, weighing no more than fifty (50) pounds per can, will be collected each collection day.

2. Rubbish - Waste generated from the normal maintenance of the household other then the kitchen waste, yard waste and recyclables. This may include scrap lumber, wall board, plaster, indoor tiles or materials from the cleanup of an attic, garage or closets.

Such materials are to be stored in closed containers when possible and are to be placed at the curb for collection. A maximum of two (2) thirty-two gallon (32) gallon cans or the equivalent, weighing no more than fifty (50) pounds per can, will be collected once per week: Wednesday, or Thursday, whichever is your normal collection day.

Large items - These wastes generally include appliances and furniture, such as chairs, tables, sofas, box springs and mattresses, refrigerators, dishwashers, washing machines, dryers, carpeting, etc.

The Town contract provides for the collection of one large item per week. The resident desiring the removal of a large item must call Dejana Industries for scheduling.

Large items must be placed at the curb line the night before the designated collection day. All doors to refrigerators, washing machines, dishwashers, etc. must be removed as a safety precaution. Carpeting should be cut into not more than four foot (4’) lengths, rolled and securely tied for handling purposes and placed at the curb the night before the designated collection day.

3. Recyclables - Newspapers, magazines and bulk mail are to be securely tied or packaged. Glass, metal and plastic containers are to be put in the recycling containers.

All recyclables must be placed at the curb line for collection in containers provided by The Town of North Hempstead.

4. Yard Waste - Yard waste is compostable material generated from the maintenance of the yard. Yard waste includes: grass, leaves, hedge clippings, and tree limbs. Hedge clippings and tree limbs should be securely tied in bundles not more then four feet (4’) in length and not weighing more than 50 pounds. No tree limbs will be collected that are more than 3” in diameter.

In the month of April and from the last week of October to the second week of December, the maximum number of yards waste bags per collection is 12. At all other times the maximum number is 3 bags of yard waste.

Yard waste will be collected on a weekly basis. If your regular garbage service days fall on a Monday, Wednesday and Friday, your yard waste will be collected every Monday. If your regular garbage service days fall on a Tuesday, Thursday and Saturday, your yard waste will be collected every Tuesday. Yard waste must be placed at the curb line for collection the night before the designated collection day

5. Non-Residential Properties - Refuse collection (in cans) is available in quantities provided for by THE TOWN OF NORTH HEMPSTEAD in the contract for this district. Please call either Dejana or the Town at 311 (outside Nassau County dial 516-869-6311) for details.

For more information, call Dejana Industries, Inc. at (516) 944-7445

II. Time of Collection
